CHAITHANYA R

PROFILE

Aspiring developer from Ramaiah Institute of Technology, diving into the world of software and cybersecurity. Actively building skills in coding, web development, and security basics, with a passion for learning and hands-on problem-solving. Eager to grow through real-world projects and collaborations, aiming to make a mark in the tech landscape. Driven by curiosity and a desire to turn ideas into impactful solutions.

PROJECT EXPERIENCE

SAP HACKFEST

MAY 2024 - JULY 2024

Team member

Secured victory in the regional round of SAP Hackfest with an innovative solution for 'Green Credit Management,' focusing on environmental sustainability. Our approach earned us the highest batch score, advancing us to the final round in Coimbatore. There, we refined our solution and presented it to a larger audience, highlighting its potential for sustainable impact.

SECURE CHATBOT

JULY 2024

Team Lead

Developed a secure chatbot using Python with Flask and PyCryptodome for backend encryption. Implemented AES encryption to ensure secure communication between users and the chatbot. Designed robust security measures to protect user data and enhance privacy. Enabled encrypted message handling and decryption for secure interactions.

OTHERS

- Competed in the Unisys Hackathon, showcasing innovative solutions and technical skills.
- Engaged in the Paryavaran Hackathon, focusing on environmental sustainability challenges.
- Participated for Hack Colossus, a prestigious 24-hour national hackathon, to test and refine my problem-solving abilities.
